- 19 Goodness is emptiness: emptiness is goodness
- 20 Certainty is emptiness: emptiness is certainty
- 21 Peace is emptiness: emptiness is peace

The qualities and activities that we admire and seek to emulate are also empty of inherent existence. Due to causes and circumstances the formation of this and that arises as self and other. Am I the cause of my own success? The fleeting beauty of the passing moment can be enjoyed without identification or attachment. Whatever comes, comes. Whatever goes, goes. Awareness neither comes nor goes, neither increases nor decreases. Awareness is the only true guide to the mystery of Mount Sunyata.
